

Remember!

- The expected pace of play is 4 hours. Foursomes have the priority on the golf course.
- USGA rules apply and are supplemented by our local rules.
- All on-course measurements are to the center of the green.

Local Rules:

(Further clarification of ALL local rules may be found posted near the handicap computer.)

- OB stakes are painted brown with a white top. Roadways define OB.
- Hole #11—There are 2 established dropping zones for use during the play of this hole.
 - Option #1—is located near the fairway about 75 yards from the green. This drop area may be used as an additional option if a ball is in the water hazard AND it last crossed the margin of the hazard where it is yellow marked.
 - Option #2—located near the green. This drop area may be used without penalty, ONLY when the player is required to take relief from the area of G.U.R. between the hazard line and the putting green.
- Immovable obstructions close to putting green (e.g. sprinkler heads).
 - If a ball lies through the green and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the hole, the player may take relief as follows: the ball must be lifted, cleaned and dropped at the nearest point to where the ball lay that (a) is not nearer to the hole, (b) avoids intervention and (c) is not in a hazard or on the putting green.
